

A Word from the Librarian

March 2010

Our church is really making an impact on our community. The Wild Game Event was a great community outreach and on Thursday, March 4 at 7:00 pm, the Shoal Creek Library sponsored a “Saving Money with Coupons” seminar as an outreach. I want to thank our church family for making the effort to attend this helpful seminar. I know that we all learned strategies to make us better stewards of the money God has given us and get great grocery savings too! You can use the savings to pay off debts, put money into savings for emergencies, and give more to charities or even tithe. Thank you all for making the seminar a success. There were 39 women and men who attended and great strategies were shared to help each of us save money. We were encouraged to start out small and as we become more comfortable with couponing look for even more ideas to save money and time. There were even attendees from as far away as Alex City. I want to thank our Library Team for all the help. Without them, I would be lost. Thanks also to Beverly and Shirley Garner and others for providing childcare that made it possible for several families to attend. Our displays this month are designed for you to take what you want. If you see a coupon in any library display that you need or would like to have, please take it.

As our church is continuing to grow, so is the use of our library. We added 8 new patrons last month. Our team is trying to reach out with creative ideas to reach the unchurched people in our community. If you have an idea or suggestion, please let us know. Who knows, that may be the subject of our next outreach.

I will be attending a Book and Bible Repair class on Saturday, March 20 at the Association office in Wetumpka beginning at 12:30 pm. You do not have to be on the Library Team to attend. If you would like to learn about book repair, please make plans to attend. This will be a hands-on class - which is the best way to learn book repair.

**In Service to Christ,
Marty Woodall**
