

A Word from the Librarian

April 2010

On Saturday, May 1, I have planned “The Central Alabama Spring Library Workshop.” Even though it will be held in Montgomery at Ridgecrest Baptist Church, several of our Library team members are going to be involved. Please pray that all goes well at this workshop. People from Georgia that may be interested in attending have contacted me. Our library could use “A FEW GOOD MEMBERS” to help our library continue to grow to meet the needs within our church and continue to reach out to the community. If you think you are interested in working in the library; this workshop would be a great start. Let me know and I will give you the details.

“The National Day of Prayer” observance is on Thursday, May 6. We will be open to anyone that would like to spend time in prayer from 12:00 noon until 7:00 pm. We will be inviting area churches and the community at large to participate with us. As of right now, we will set up prayer stations in the Music Room and offer light refreshments in the library after a time of prayer as we have in previous years. Please invite your friends, family, and neighbors. We all need to be more committed to PRAYER. If you have never attended this observance you are missing a real blessing.

On Sunday, May 30, “Score with Books” Summer Media Club begins. It will end on Wednesday, July 21. Therefore, there will be plenty of time to complete the requirements. This year we have already made reservations for the Biscuits Baseball Game on Saturday, July 24. There are fireworks scheduled that night after the ballgame. Remember you must complete the requirements to participate in our party at the Biscuits game. The library will take care of the cost of the tickets into the ballgame for EVERYONE that completes the requirements. We are hoping for great participation again this year and also want to use this as a community outreach, so participants do not have to be members of our church.

I was thrilled with the response that we had for the couponing seminar. We made several good contacts from our community and even as far away as Alex City. If you wonder if the couponing strategies can really work to help you save money, talk to Hollie Lott.

In Service to Christ,
Marty Woodall
